

Model number : 606

606 OPP Tape

- Adhesive Type: Water-based adhesive
- Base material: Biaxially oriented polypropylene film (60 μ m)
- Application : Suitable for heavy packaging sealing
- Color: Transparent, brown
- Packaging: Shrink wrap

Product features:

1. Good weather resistance, strong adhesion and not easy to break.
2. Suitable for various types of cutting machines.
3. Belongs to thick and strong adhesive tape, especially suitable for sealing heavy packaging.
4. MADE IN TAIWAN (MIT).

Product properties:

ITEM	
Thickness	>0.082mm
Adhesion	>600g/25mm
Tackiness	<10cm
Cohesion	>6kg/(25mm) ²

ITEM
*Testing environment: Temperature: 22±1°C, Humidity: 65±5% RH

Product Specifications:

WIDTH(M/M)	LENGTH(M)	QUANTITY (ROLLS/PACK)	QUANTITY (ROLLS/CARTON)
12	40/45	24	480
15	40/45	19	380
18	40/45	16	320
48	40/45	6	120
60	40/45	5	100

Note: Da Han brand 40M, Blue Peacock brand 45M

Width can be cut according to requirements. Also available in long length for use with automatic packaging machines (500m, 800m).
